"That's the truth. It's called golf because all the other four-letter words were taken."

Well, three out of five got the dress code right.

Checking in and getting a gift. This year was a beach towel.

Muir. The first place team of **James Banahan, Brian Alphonse, Paul Keating and John Buosante** from the Post Road Garage in Port Chester won a free round of golf for four donated by Beekman Country Club. Once again this year we had great door prizes for all the golfers that participated. There was an MPS Player, a digital camera, a palm pilot, a Driver, a Putter, a golf bag with a dozen balls, a range finder and balls, a portable DVD/CD TV player, a DVD/VHX combo player, an IPOD, designer sunglasses, and the Mets box seat tickets.

This was my fifth year putting this together and it would not have been a success if not for the committee that really did all the work. They not only helped me put it together to make it a success, they also worked the entire day to make sure everything went smoothly and that everyone enjoyed themselves. On behalf of the Officers and Executive Board of Local 1103, I especially want to thank **Fine, Olin & Anderman, Research Resources, Dr. Peter Gorman, Dr. Joel Spivak, Dr. Steven Herman, New County Optical, Harbour View Dental, and Mortgage Experts** who sponsored, breakfast, lunch, dinner, the cocktail hour, the door prizes and the hole-in-one contest. I look forward to seeing everyone next year when maybe someone will get a hole in one and win that elusive brand new union-made car.

Vice President

"The one time I hit into the woods and the photographer just happens to be there." Hey, what's that guy on the right doing?"

LIVING PROOF THAT ANYONE CAN PLAY GOLF.

"Hey! I thought there were no phones allowed on the golf course."

The following are individuals, organizations and work locations that also sponsored a hole to help make this day a success for the Horgan and Borella families. Thank You.
